**Story of How Alfred Met Julia**

Julia's friend, Mrs. Carl Johnson, lived in Tacoma, Washington. She told Julia about the young Pastor from Sweden who was at their church. She said that she just had to come out there to meet him. So Julia who lived in Detroit Lakes, Minnesota, took the train out to Tacoma. When the young Pastor, Alfred Stone, saw her for the first time he thought, THAT'S the girl I'm going to marry. They did get married! Their wedding was in Detroit Lakes, Minnesota on August 23, 1911.
